District Committees to collect and arrange the exhibits from their districts, each in a separate room. Space will also be reserved to such of the Technical Departments of Government who propose to take part in the Exhibition. It is also contemplated to have a large exhibit of Industrial Machinery in motion for which special accommodation has been provided and supply of power will, if desired, also be arranged for. Owing to the difficulty in arranging for the imports of machinery from abroad, it is hoped that the occasion will be utilised by the local Engineering Firms as an opportunity to place on the market Industrial Machinery made in India.

The Exhibition is open to all India and it has been decided not to levy any fees for the space allotted except in cases specially provided for in the accompanying rules. For the convenience of visitors and to encourage trade, sale rooms have been set apart in the Exhibition Buildings and permission to put up temporary booths of approved types in the open grounds, will be accorded by the Exhibition Committee. A Post and Telegraph Office will be opened at the Exhibition premises from the 15th September 1916 and will continue to be maintained up to 15th of December 1916. Special arrangements have been made with the Railway authorities for the unloading of heavy goods at the siding close to the Exhibition. The concessions granted by the Railway Companies in India are noted in the appendix.

An admission fee of annas two per head will be levied for entry into the Exhibition buildings and season tickets will also be issued at one rupee per head. Return Railway tickets between Bangalore and Mysore at a reduced rate entitling the holder for admission into the Exhibition during the whole period, will be arranged for.

The Mysore Exhibition Committee who are responsible for all the arrangements connected with the Exhibition, invite the cordial co-operation of every one interested in the agricultural and industrial development of India in their endeavours to make the Exhibition fruitful of results.
